

MWFA

Mid-West Fastener Association

CELEBRATING OVER 75 YEARS COMMITMENT TO THE FASTENER INDUSTRY

MEMBERSHIP INFORMATION

WHY JOIN THE MWFA

A membership with connections that hold the world together, the Mid-West Fastener Association is one of the oldest fastener associations in the United States. For over 75 years, the association has expanded and evolved from a small local group to the largest regional fastener association in the industry with members from coast to coast. The Midwest market has the largest concentration of fastener related firms in the USA. MWFA activities have drawn members, as well as the fastener industry at large, from all over the world.

BECOMING A MEMBER

To become a full member of the MWFA, a prospective company must meet a few simple, but important criteria to be considered:

- Its place of business must be in the state of Illinois or an adjoining state
- The business must have been in existence for three years
- The company must carry a reasonable permanent inventory
- Three full-time persons, excluding the owner, must be employed
- The company agrees to abide by the Association's by-laws and participate in Association activities

Companies not meeting the criteria of Regular or Membership will be considered for an Associate Membership (non fastener related but providing service/benefit to the industry). An Associate Membership shall enjoy all privileges of a Regular or Associate Member, except voting and holding office.
