

Help us build beds for Chicago area children!

Mid-West Fastener Association supports the Fastener Bed Challenge to help end child bedlessness in the Chicago area. We are excited to begin Fastener Week with an activity providing our fastener friends an opportunity to give back to the local community. Our goal is to collect enough donations for a 60 bed build. We can't do this without YOU! You can help one of two ways... or both!

① HELP US BUILD.

Join us on August 21, 2022 from 9AM - 1PM for our build day. This is a special way to give back to children less fortunate. We will be providing lunch and a great time!
