

Help us build beds for Chicago area children in need!

NO KID SLEEPS ON THE FLOOR IN OUR TOWN!

Once again, the Mid-West Fastener Association will be kicking off its annual FSTNR Week in support of Sleep in Heavenly Peace. On Sunday, August 18th, the MWFA will be building beds for Chicago area children who do not have a bed of their own and/or sleep in unfavorable conditions.

Our goal is to raise enough funds for **100 beds (\$25,000)** to be built on that Sunday. These funds provide all the materials, mattresses, and bedding needed for each child to receive a fully furnished bed.

Please join us in this tremendous fundraising effort and consider teaming up with us on August 18th. Together we make a huge impact in the lives of children in need. We can't do this without YOU! You can help one of two ways... or both!

① HELP US BUILD.

Join us on Sunday, August 18, 2024 from 9AM - 1PM for our build day. This is a special way to give back to children less fortunate. It is a great way to kick off FSTNR Week!
